Itineraries

1. Day 1: Bike from Pokhara to Bhumdi via Sarangkot

Your adventure begins from our office in Lakside, Pokhara. As you hop on your E-MTB get ready to tackle the challenge that awaits you ahead. Your day begins with a gentle ride through inner streets before getting to the base of Sarangkot to start your first climb of the day. The first climb doesn't take you all the way to the Sarangkot view tower. However, you will get the opportunity to observe the view of beautiful mountain ranges and the Pokhara valley along with the sight of serene Fewa Lake. As you reach the top of Haredanda, get ready to be thrilled with a beautiful downhill all the way to Pame and Ghattichhina. Take some rest, grab some cold drinks or have something to eat before heading for the intense climb of the day to Bhumdi village. Along the way to Bhumdi, you will have the chance to observe some local culture, enjoy the scenery of terraced paddy fields and the Annapurna mountain range along with an incredible ride through the forest and villages. If you are early to the final destination of the day, take some time to explore the village of Bhumdi. You will stay the night at a local tea house in Bhumdi where you get the experience the true Nepalese hospitality.

Distance: 40 Km Approx.

Time: 4 Hours

Difficulty:

Physical: Moderate,
Technical: Moderate

2. Day 2: Bike from Bhumdi to Begnas Lake via Kristi village and Dovilla

Wake up early to enjoy the glorious view of the Annapurna mountain range fully covered in golden sun rays. Start your day with a traditional mountain breakfast, get your things sorted out, put on your biking outfit and get ready to roll down to Stupa. Cherish the beautiful view of Fewa Lake and the mountains along with the Pokhara valley with a sip of freshly brewed organic coffee at Elite cafe in the premise of World Peace Pagoda. As you are done with the pit-stop get on the bike and be prepared to enjoy the hair-raising single track of queen's forest down to Devis-fall. As you proceed further, take some time to visit the Tibetan Refugee Camp before starting to ascend the Kristi village. The trail to Kristi offers incredible view of the Annapurna and Manaslu mountain range until you descend down to Dovilla from where you will follow the mix of tarmac and dirt road all the way to Begnas Lake. You will stay the night in a guest house in Begnas. Lunch will be on the way.

Distance: 50+ Km
Difficulty:
Physical: Moderate,
Technical: Moderate

3. Day 3: Bike from Begnas to Pokhara via Rupa Lake and Kalikasthan

Start your day with a hearty breakfast in the hotel at Begnas Lake. After the breakfast, we will take inner street and trials through the paddy fields to Rupa Lake. After savoring in the beauty of Rupa Lake, we will continue our ride to Majhikuna, crossing the suspension bridge over the Lake. At Majhikuna, we will take some rest and get some drinks before tackling the intense climb to Kalikasthan where will have our well-earned lunch of local delicacy. At Kalikasthan you will be able to see amazingly beautiful terraced farm lands and the Madi River valley along with the sight of snow-clad mountain ranges. After the lunch, get ready to roll down to Pokhara valley and make your way through the ancient town of Pokhara. The tour accomplishes as we ride back to the bike store in Lakeside.

Distance: 50+ Km
Difficulty:
Physical: Moderate,
Technical: Moderate
