After the lunch at Bhanjyang, all the suffering begins to be worth it as you will be riding downhill through jeep tracks and some free ride stuff. 5. Day 5: Ride from Karkineta to Huwas

This day's ride is quite thrilling! The first 4 KM of the ride is constant uphill till Arjun Chaupari village. Right from here, the beautiful downhill begins to Huwas (the place to stay the night).

Time: 4-5 hours

6. Day 6: Ride from Huwas to Sworek Maidan

The climb, will not end until you reach the destination. After all those sufferings you will be rewarded with amazing free riding and incredible views. Lunch and dinner will be in Maidan.

The toughest part of the ride will be the first 1 KM but you will be pleased to have done that as you will be rewarded with an amazing downhill through several scattered villages. After all the downhill, you will be following one of the holiest rivers of Nepal known as Kali

Gandaki to the destination, situated just close to the very river.

9. Day 9: Ride from Dedgaun to Lhape (Gurung community homestay)

Today the 18 KM ride sounds quite easy! But do not be illumined with that because it is not as easy as any other day. It is totally a hard climb! Until you reach the destination. It might be the day to test your endurance level.

Something really nice is that you will have a great opportunity to explore the Gurung and Magar culture, somehow, different than any other place in Nepal. Besides that, you will be mesmerized by the natural beauty and the landscapes. Today's night will be in a homestay too.
