Itineraries

1. Day 1: Pokhara (800m) to Kalikasthan (1350m)

Our ride starts at Pokhara Mountain Bike shop where we will leave behind the Pokhara Valley. We will climb to Arva Village then down to Kaseri through villages and a little forested area. We will have the opportunity to ride along the river and cross by foot or bridge - we will decide based on the water level of the river. After this, we will be climbing foothills on wide trail all the way to Kalikasthan. We will be spending

the night in a guest house with a superb view of the sun set.

2. Day 2: Kalikasthan to Pokhara via Begnas Lake

We will wake up early if you wish to see the sunrise in the morning. Otherwise, take it easy, wake up at your normal time. After breakfast, we will start our ride via Tiwari Danda through villages, forest and terraces with amazing views of landscapes and the Himalayas. We will ride down from Lipyani to Talbesi then climb a lovely hill and stop at Begnas. We will have lunch here. Begnas Lake offers a swimming opportunity if you wish, then we will ride back to Pokhara.
